

NRA Research & Information Summer Internship

The National Rifle Association-Institute for Legislative Action (NRA-ILA) is now accepting applications for our Summer Internship Program. This internship is within the NRA-ILA Research & Information Division for a qualified individual interested in NRA's legislative, political, and research activities on behalf of the Second Amendment.

An internship with NRA-ILA will provide an exciting opportunity to gain hands-on experience with various firearm-related issues, crime research and analysis, policy and advocacy work, as well as public opinion surveys and analysis.

Participants in the program work extensively with NRA-ILA Research in support of NRA's ongoing legislative, regulatory, and electoral projects at the national, state, and local levels. .

Applicants should have an interest in Second Amendment issues, an understanding of NRA-ILA's mission, strong writing and verbal skills, experience with Stata, SPSS, or other statistical software, attention to detail, and possess knowledge of crime reporting and analysis. Legislative experience a definite plus.

The work schedule for this opportunity will be fewer than 30 hours per week. Applications for the NRA-ILA Research & Information Summer Internship Program should be submitted by May 1st, 2015. Please send resume and cover letter to careers@nrahq.org.

The NRA is proud to be an EOE employer (women/minorities/disabled/veterans).
